Setting the Stage for Great Music

The Kansas City Chamber Orchestra is building an exciting 2022 -2023 season, and we want you there! **We want to give you, our very best concert supporters, a chance to be in on the ground level, at the beginning, with the very best pre-season rate** while we finalize a full new season for you.

The music and arts world in KC has gone through two tough and transformative years with limited resources and many restrictions – but we have survived and are excited to be heading into a new full season – including all the favorites, and some exciting new activities like our outdoor outreach concerts. Join us NOW while we plan this next season with a focus on reaching out to new audiences and coming back to the concert hall stronger than ever:

- ❖ **Five great indoor and outdoor concert programs plus our special Valentine event!** – Fall, Holiday concert and Spring events
- ❖ **KCCO favorites** from the Baroque and Classical eras, beautiful contemporary works, and rarely performed new “discoveries”
- ❖ **Exciting collaborations** with composers, great conductors, new and current Arts partners, exciting young protégé artists, and amazing soloists
- ❖ **Season Ticket buyer perks for every event including priority reserved seating at all concerts, discounts** and advanced notice on any added Special Events (dinners, champagne dessert receptions, concerts, fundraisers, etc!)

Join us for the 36th Season – same great price – More events, more options!
